

Björk - Bachelorette

Tom: Ab
Intro: Cm D Cm Gm (2x)

Versos:
(repete sempre os mesmos acordes)

I'm a fountain of blood
In the shape of a girl
You're the bird on the brim
Hypnotised by the whirl

Drink me, make me feel real
Wet your beak in the stream
Game we're playing is life
Love is a two way dream

Refrão:
Leave me now, return tonight
Tide will show you the way
If you forget my name
You will go astray

Like a killer whale
Trapped in a bay

(Repete acordes do verso, inclusive durante o solo)
I'm a path of cinders
Burning under your feet
You're the one who walks me
I'm your one way street
I'm a whisper in water
Secret for you to hear
You are the one who grows distant
When I beckon you near

(Repete acordes do refrão)
Leave me now, return tonight
The tide will show you the way
If you forget my name
You will go astray
Like a killer whale
Trapped in a bay

(Repete acordes do verso)
I'm a tree that grows hearts
One for each that you take
You're the intruder hand
I'm the branch that you break
