

# Björk - Thunderbolt

Tom: A

**Gbm**  
 Stirring at waters edge  
**D E Gbm**  
 Cold froth on my twig  
**Bm Dbm D**  
 My mind in whirls  
**Gbm**  
 Wanders around desire

**Bm**  
 May I, can I or have I too often  
**Bm**  
 Craving miracles  
**Bm**  
 May I, can I or have I too often now  
**Bm**  
 Craving miracles  
**Bm**  
 Craving miracles

**Bm Dbm D Gbm**  
 No one imagines the light shock I need  
**E D**  
 And I'll never know  
**Bm Dbm D**  
 From whose hands deeply humble  
**Gbm D**  
 Dangerous gifts as such to mine come

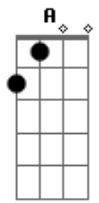

**Bm**  
 May I, should I or have I too often  
**Bm**  
 Craving miracles

**Bm**  
 May I, can I or have I too often  
**Bm**  
 Craving miracles  
 Craving miracles

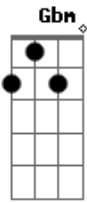

(repetem-se os acordes até o fim)

My romantic gene is dominant  
 And it hungers for union  
 Universal intimacy  
 All embracing  
 May I, should I or have I too often  
 Craved miracles  
 May I, can I or have I too often  
 Craved miracles  
 Crave  
 Waves irregularly striking  
 Wind stern in my face  
 Thunderstorm come  
 Scrape these barnacles off me!  
 May I, may I or should I too often  
 Crave miracles  
 May I or should I or have I too often  
 All my body parts are one  
 As lightning hits my spine  
 Sparkling  
 Prime runs through me  
 Revive my wish  
 Inviolable  
 May I, can I or have I too often  
 Craving miracles  
 May I, can I, should I or have I too often  
 Craving miracles
