Intro: Dm C Dm C

Dm C  
Come, bring roses

Dm C  
Or run, it makes more sense

Dm C  
I keep on standing, not afraid

C  
Sometimes I lie down, wide awake

Dm C  
As lucky perfects pass me by

Dm C  
They turn their eyes another way

C  
The sight and smell won't make them stay

Dm C  
These lucky perfects pass me by

B Bbm  
My mistakes are mine as they've always been

B Bbm  
Some are justified, most of them are sins!

Dm C  
My mistakes are mine as they've always been

Dm C  
Some are justified, most of them are sins!

B A

They're just my sins

[Solo 1] Dm C Dm C

Dm C  
Come, bring pleasures

Dm C  
Alone or with your friends

Dm C  
A stick of gum, a dime, I pray

Can I resist another day?

Dm  
As lucky perfects pass me by

B Bbm  
My mistakes are mine as they've always been

B Bbm  
Some are justified, most of them are sins!

Dm C  
My mistakes are mine as they've always been
