Bm B Gb Gb
You're scared of a world where you're needed
G7 Bm
So you never made nice with the locals
B Gb Gb
But you tied me up slow with your vine stuff
G7 Bm Bm
It takes a few years, but they break bones
B Gb Gb
It takes a few months, but our bones heal
G7 Bm
We're stronger, and we tell all our school friends

And they sign our cast in the playground
G7 Bm B Gb
Darling, the rest of my body, it's yours, then

I end up dreaming of you and you come to me

[Refrão]

Gb Bbm Gb7
Good morning
B
Show me the place where he inserted the blade
Gb
I'll praise the Lord, burn my house
Bbm
I get lost, I freak out
G7
You come home and hold me tight
B
As if it never happened at all
Gb Bbm Gb7
Good morning

The good hunter's guide to a bad night
