Hey, baby my nose is getting big
I noticed it be growing when I been telling
them fibs
Now you say your trust's getting weaker
Probably coz my lies just started getting deeper
And the reason for my confession is that I learn
my lesson
And I really think you have to know the truth
Because I lied and I cheated and I lied a little more
But after I did it I don't know what I did it for
I admit that I have been a little immature
Fucking with your heart like I was the predator
In my book of lies I was the editor and the author
I forged my signature
And now I apologise for what I did to you
Cos what you did to me I did to you

[Chorus]
Gbm7 Nononono baby, nononono don't lie **D A**
Gbm7 Nononono, yeah you kno know know know you gotta try **D A**
Bm What you gonna do when it all comes out
D When I see you & what you're all about
Gbm7 Nonono baby, nononono don't lie **D A**
Gbm7 Because you know you know you know you know
E D A you know you gotta try
She said I'm leaving
Cos she can't take the pain

It's hard to continue this love it ain't the same
Can't forget the things that I've done inside her
brain
Too many lies committed too many games
She feeling like a fool getting on the last train
Trying to maintain but the feeling won't change
I'm sorry for the things that I've done and what I
became
Caught up in living my life in the fast lane
Blinded by lights, cameras, you know the fame
I don't know the reason why I did these things

And you lie and you lie and you lie and you lie
And now our emotions are drained
When you lie and you lie and a little lie lie
And now your emotions are drained

[Chorus x2]

Yo, I'm lying to my girl even though I love her
And she all in my world
I give her all my attention and diamonds & pearls
She's the one who makes me feel on top of the world
Still I lie to my girl, I do it
And I lie and I lie and I lie till there's no turning back
I don't know why, [and I lie and I lie till I don't know
who I am]
And then I tell myself

Gbm7 Nononono baby, nononono don't lie **D A**
Gbm7 Nononono, yeah you know know know know you gotta try **D A**
Bm What you gonna do when it all comes out
D When I see you & what you're all about
Gbm7 Nononono baby, nononono don't lie **D A**
Gbm7 Nononono baby, nononono
D A Stop, st-stop st-stop stop stop lying.
