

# Black Ignation - Woof-it-down

tom:

A

E

When I got you on the floor

I gotta take you home that I'm alone

I was sick because of love

I gotta take you home that I'm alone

E

I'm rotten because of rain

I gotta take you home that I'm alone

You gotta go

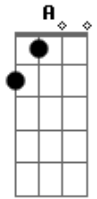

You gotta go

You gotta go

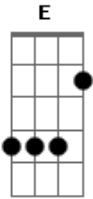

You gotta go

You gotta go, oh, yeah
