

Black Label Society - Blackened Waters

Tom: G Intro: /verse:

Intro: guitar 2:

Chourse:

And here i stand i find myself alone again the miles iv'e walked loss of hope and loss of friends yet i keep on runnin' and i won't look back

Acordes

the waters rise you never know just where they're at

the waters turn yeah, yeah the hardships we endure you aint the only son or forgotton daughter we all drown in blackend waters

the sun has set
the endless stream where nothing lastes
forever damned
today to morrow and all the past
yet i keep on runnin'
and i wont look back
the waters rise
you never know just where they're at
