

# Black Label Society - Fear

Tom: C  
Intro: Dm F C G

Dm F G  
The sun that's set on our souls  
Dm F C G  
All that's lost as the day is old  
Dm F G  
When the truth becomes one big lie  
Dm F C G  
So low you never know when you're high  
Dm F G  
And you thought that you knew it all  
Dm F C G  
Think again, in the end we all fall  
Dm F G  
When the truth becomes one big lie  
Dm F C G  
So low you never know when you're high

G Dm  
Oh, back home  
Oh, back home  
Am G Dm

Oh, the fear of being alone

Dm F C G  
The floors that rattle and shake through my head  
Dm F C G  
The doors that slam that wake me in bed  
Dm F G  
When the truth becomes one big lie  
Dm F C G  
So low you never know when you're high

G Dm  
Oh, back home  
Oh, back home  
Am G Dm  
Oh, the fear of being alone  
Am G Dm  
Oh, the fear of being alone

Am G Dm  
Oh, the fear of being alone

Am G Dm  
Oh, the fear of being alone
