Wahpickscratch

Scrape pick on tailpeice. If you have no tailpeice, put your finger on the 3rd fret and pick, you can achieve a similar effect.

repeat: ~~~~~

Fills:
Psychocize me..... Terrify me

Bass "solo"
The guitars rotovibe is at the end

Hold chords out

guitar line under solo

These are the chords/patterns for the guitar line under the solo,
It is up to YOU to figure out where they go.
