

Black Pumas - Know You Better

tom:

Intro: Bm Am G D7
Am G D7

[Primeira Parte]

Am G
Let's float on, out on this mothership, baby
D7 Am
Let's take control of it, get it together
G
Flight of the bumblebee, for my honey baby
D7 Am
Make you wanna sing, get up
G
Lock hands and sway with me, fire
D7 Am
Filling around the blaze, get it together
G
I can't get comfortable
D7
With me listening what the people say

[Refrão]

F C
I want to know you better (I gotta take this time)
F C
Stop and see the weather (I gotta love you right)
F C
I want to know you better
F Bm
Oh, baby

(Am G D7 Am)
(Am G D7)

[Segunda Parte]

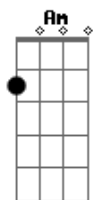

Am G
Forward, let us be unified, baby
D7 Am
Out of this galaxy, moving
G
Free in the way we move and she'll catch the groove
D7 Am
Make me see it through, get it together
G
Light up my fire bank, hold hands
D7 Am
Everything's everything, got to get it together
G
Cruise in my lover's lane
D7
Now I realize how to really fly

[Refrão]

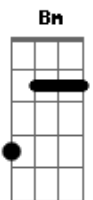

F C
I want to know you better (I gotta take this time)
F C
I need to see the weather (I want to make you shine)
F C
I want to know you better (I love you)
F Bm
Oh, baby

[Final] Bm
