All you do is talk **A**

**Gbm**  
Help yourself, don't think

**E**  
Help yourself, don't speak

**D**  
Help yourself, don't say a thing at all **A**

**E**  
Your lucky words don't bleed **D**

Entirely in the raw we see

You said we're on our way and I will be  
Alone and everything

You say it's all we'll ever need  
You find an easy way but still you weep  
Alone and everything

Help yourself, don't think  
Help yourself, don't speak  
Help yourself, don't say a thing at all  
Your lucky words don't bleed

Help yourself don't say a thing  
The love you show won't mean a thing at all  
If all you do is talk

Sadly we remain to see  
What brings an end is also what we need  
All you do is talk

Help yourself, don't think  
Help yourself, don't speak  
Help yourself, don't say a thing at all  
Your lucky words don't bleed
