Black Sabbath - Changes

Intro: C Dm C Dm C

C Dm C Dm C

I feel unhappy, I feel so sad,

Dm C Dm C

I lost the best friend that I ever had,

She was my woman, I loved her so,

But it's too late now, I've let her go

I'm going through changes

I'm going through changes

Dm G F Am G Am

We shared the years, we shared each day,

In love together we found a way,

But soon the world had its evil way,

My heart was blinded, Love went astray

I'm going through changes

I'm going through changes

Dm G F Am G Am

It took so long to realize,

And I can still hear her last goodbyes,

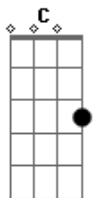

Now all my days are filled with tears,

Wish I could go back and change these years

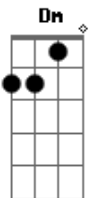

I'm going through changes

I'm going through changes
