

Black Sabbath - Fairies Wear Boots Solo

Tom: C

Solo 2 - 2:59

The tabs I found for this song sounded mostly bad at the solos, so I tabbed them myself.

very slight bend
v

Legend:

=bend up
v=bend up then back down
\=slide down
/=slide up
~=vibrato
h=hammer on
p=pull off

repeat

Outro - 5:42

Note: Try mixing around the licks between the s until it sounds right for you. It sounds a little sloppy to me so I can't much tell the difference.
