

# Black Sabbath - Fairies Wear Boots Solo

Tom: C

Solo 2 - 2:59

The tabs I found for this song sounded mostly bad at the solos, so I tabbed them myself.

very slight bend  
v

Legend:  
=bend up  
v=bend up then back down  
\=slide down  
/=slide up  
~=vibrato  
h=hammer on  
p=pull off

repeat

Outro - 5:42

Note: Try mixing around the licks between the s until it sounds right for you. It sounds a little sloppy to me so I can't much tell the difference.

Solo 1 - 0:51
