Hole in the Sky - Black Sabbath (Lyrics)

No count in- the mic - WE'RE GOD!!!  
1,2,3,4  
I'm looking through a hole in the sky  
I'm seeing nowhere through the eyes of a lie

I'm getting closer to the end of the line  
I'm living easy where the sun doesn't shine

I'm living in a room without any view  
I'm living free because the rent's never due  
The synonym of all the things that I've said  
Are just the riddles that are built in my head

Hole in the sky  
Gateway to heaven  
Window in time  
Through it I fly

I've seen the stars that disappear in the sun  
But shooting's easy if you've got the right gun  
And even though I'm sitting waiting for Mars  
I don't believe there's any future in [cars]/[cards]

Hole in the sky  
Gateway to heaven  
Window in time  
Through it I fly yeah

I've watched the dogs of war enjoying their feast  
I've seen the western world go down in the east  
The food of love became the greed of our time  
But now we're living on the profits of crime
