

Black Sabbath - It's Alright

Tom: C

C
 Told you once about your friends and neighbours
Am Em G
 They were always seeking but they'll never find it
F C
 It's alright, yes it's alright
C Em
 Where to go and where to see
Am G
 It's always been this way and it can never be
F C

It's alright, yes it's alright
C Em
 Give it all and ask no return
Am G
 And very soon you'll see and you'll begin to learn
F C
 That's it's alright, yes it's alright
C Em
 Don't you know that it's so good for you
Am G
 You can be making love and see it all go through
F C
 But it's alright, yes it's alright
