

# Black Sabbath - It's Alright

Tom: C

C  
 Told you once about your friends and neighbours  
Am Em G  
 They were always seeking but they'll never find it  
F C  
 It's alright, yes it's alright  
C Em  
 Where to go and where to see  
Am G  
 It's always been this way and it can never be  
F C

It's alright, yes it's alright  
C Em  
 Give it all and ask no return  
Am G  
 And very soon you'll see and you'll begin to learn  
F C  
 That's it's alright, yes it's alright  
C Em  
 Don't you know that it's so good for you  
Am G  
 You can be making love and see it all go through  
F C  
 But it's alright, yes it's alright
