

# Black Sabbath - Planet Caravan

Tom: C

Intro: dução:

We sail, through endless skies  
 Stars shine like eyes  
 The black night sighs  
 The moon, in silver dreams  
 Pours down in beams  
 Light of the night  
 The earth, a purple blaze  
 Of sapphire haze  
 In orbital ways

While down, below the trees  
 bathed in cool breeze  
 Silver starlight  
 Breaks down from night [!!!!!!4" slide in 1st measure]  
 % : eighth-note rest  
 r : "return" of bend  
 ==== : hold tone thru count (legato arpeggio)  
 : occasional variations at this point (listen to recording)
