Tom: C

Tracks Tabbed

1. Wheels of Confusion/Straightener
2. Tomorrow's Dream
3. Changes
4. Supernaut
5. Cornucopia
6. St Vitus Dance
7. Under the Sun

Note 1 - At the time I sent this Snowblind and Laguna Sunrise were already in the OLG A archive, so I have not included these here.

Note 2 -for a lot of these songs Tony Iommi tuned his guitar down 2 frets so the bass string was D. I haven't bothered as most can be played without tuning down. However some are easier to play further up the neck, Tomorrow's Dreams, for example, so try shifting what I've done up 2 frets to see if feels better. I've avoided using open strings, where I could to make this easier.

Note 3 - I only have an acoustic guitar, so I tend to play a lot of the notes that Iommi probably bends to, hammers on, pulls off, etc. Try playing around with the notes to see if you can get it closer to the original.

All corrections gladly accepted. I would be interested to see how close I got or other ways of playing these.

Note 4 - I have tried where possible to indicate timing by using 4 dashes to

7. Under The Sun
 This one needs the guitar tuned down to **D**
 You only need it for the intro riff as follows

Normally I don't bother with the intro- the rest can be played
 as follows. If you tune down to **D** then shift this up 2 frets.
 4/4 Shuffle 3 = triplets
 3 3 3 3

Well I don't want no Jesus freak to tell me what it's all
 about.
 No black magician telling me to cast my soul out.
 Don't believe in violence, I don't even believe in peace.
 I've opened the door now and my minds been released.

At the end of each verse
 3 3 3 3 3 3 3 3

Verse 2
 Well I don't want no preacher telling me about the God in the
 sky.
 No, I don't want no one to tell me where I'm gonna go when I
 die.
 I want to live my life, don't want people telling me what to
 do
 I just believe in myself 'cause no one else is true.

Every day just comes and goes
 Life is just one long overdose
 People drive to ruination
 I can see from their frustration

People hiding their real faces
 keep on running their rat races
 Behind each flower there grows a weed
 In their world of make believe

Solo over

Verse 3
 So believe what I tell you, it's the only way you'll find in
 the end.
 Just believe in yourself, you know really shouldn't have to
 pretend.
 Don't let those empty people try and interfere with you mind.
 Just live you life and leave them all behind
