

# Black Sands - Crazy Heart

tom:

Gb (forma dos acordes no tom de Eb )

Capostraste na 3ª casa

Intro: C G Am F

[Vers]

Cruisin down the road

Don't know where to go

I'm running all the lights

Tryna get you off my mind

Tryna get you off my mind

Should've known you were gonna eat me up

I must've been blind

Now my heart is stuck on us

Got me kicking up the dust

[Pre-Cor]

Got an old truck

And some bad luck

Aint getting used to being a loner

But you don't want me back

And I'm just facing facts

[Cor]

Oh she got me running away

And I be taking the blame

Packed a bag of mistakes

And left her in the dark

Me and my crazy heart

Yeah oh she got me spilling my drinks

And now I can't even think

Threw it all in the sink

And left her in the dark

Me and my crazy heart

[Vers]

I've been on the run tryna let it out

Straight shootin' downtown tryna get you off my mind

Still tryna get you off my mind

(Still tryna get you off my mind)

And girl it's been tough but I'm getting by

## Acordes

Cause every time I hear your name

It all comes back to me to me to me to me
