Em D C
I know we only spent a few days together

I let you into my lonesome world
Em D C
And now I want a piece of yours

Pre-Chorus:

Am C
I loved every moment with you

Chorus:

G D
Cause looking in your eyes
Am
Was like peeking into heaven
C
I'm aching to see you again
G D
I could stare at your smile
Am
For days on end
C
I'm aching to feel you again

Em D C

I miss it how we would just lay around

Em D C
And the way your body replied to mine

Em D C
Oh baby now it's just a waiting game
Em D C
Until our bodies intertwine

Am C
I'll make the most of every moment with you

G D
Cause looking in your eyes

Was like peeking into heaven

I'm aching to see you again

G D
I could stare at your smile

Am
For days on end

I'm aching to feel you again

Looking in your eyes

Is like peeking into heaven

I'm aching to see you again

G D
I could stare at your smile

For days on end
