## **Black Ties - Your Game**

Tom: G Em After you're eighteen Am But all I wanna do G Hey you D Look at me Hey you, hey you D Whats your game Hey you What you thinking Tell me now G C Because I'll play, I'll play with you Sitting there, drinking alcohol Α С Just trying to forget him G Hey you Am D I love your smile Cause people always told me Hey you Be careful with who you love Em After you're eighteen Would you kiss me Am G But all I wanna do Because I've been trying all night To just spend a little time with you G Hey you Α С And maybe you would see me D Talk to me Am Hey you Cause people always told me Fm G C Be careful with everything good on your life Would you dance with me G Am I'm not a good dancer But all I wanna do D G Hey you, hey you But I could try it out Or maybe you could teach me Whats your game Tell me now Am Cause people always told me Because I'll play, I'll play with you Be careful with what you do
