

Black Veil Brides - When They Call My Name

C tom:

I'm gonna get out
 If it's the last thing that I do
 And in my heart
 My fifteen minutes are burned through

I won't come back to fall off track
 The way that I survived
 It's a violent world
 But today I'm still alive

I need you to tell me everything will be alright
 To chase away the voices in the night
 When they call my name
 Have I gone insane?

Woah oh! Woah oh oh oh!
 Woah oh! Woah oh oh oh!

These thoughts'll kill me
 And everything that I hold true
 And as I grow
 I let my fear replace my youth

I won't turn back, I won't cross that

Hidden danger line

It's a loud and dark world
 But I think I've found the light

I need you to tell me everything will be alright
 To chase away the voices in the night

When they call my name
 Have I gone insane?
