

Blackbear - 4U

Tom: F

You thought I wouldn't come around to you, around to you
 You know I was down for you, down for you
 Now I'm wishing I never bowed to you, bowed to you
 I'm in the shit I can't get out of, I'm not proud of
 Hate the sound of all these songs about you, songs about you
 You know I was wrong about you, wrong about you
 Let you hold onto this cash, let you hold onto
 I'm in the shit I can't get out of, I ain't proud of
 I'm running out of time to hold you close
 I'm running out of time to be your man, yup
 I'm just lost in the moment, yeah
 I'm just zonin'
 I'm running out of time to hold you down
 Running out of time to be your man, yeah
 I'm just lost in this moment, yeah
 I've been zonin'
 You know that I could get you more, a little more
 Whatever you need, what you need
 I could get you more, a little more
 Whatever you need

Whatever you need

You thought I wouldn't come around to you, around to you
 You know I was down for you, down for you
 Now I'm wishing I never bowed to you, bowed to you
 I'm in the shit I can't get out of, I'm not proud of
 Hate the sound of all these songs about you, songs about you
 You know I was wrong about you, wrong about you
 Let you hold onto this cash, let you hold onto
 I'm in the shit I can't get out of, I ain't proud of
 I'm running out of time to hold you close
 I'm running out of time to be your man, yup
 I'm just lost in the moment, yeah
 I'm just zonin'
 I'm running out of time to hold you down
 Running out of time to be your man, yeah
 I'm just lost in this moment, yeah
 I've been zonin'
 You know that I could get you more, a little more
 Whatever you need, what you need
 I could get you more, a little more
 Whatever you need
