

Blackbear - My Worst

tom:

Intro: Em D A C

This is the end, this is the end, this

Is the end of me

Playin' pretend that I'm available

Emotionally

I'm off a Benz, goin' 'round bends

Could be the death of me

I'm not ready, I'm not ready

Maybe I'm the best mistake you ever made

It sounds so fucking beautiful

When you say my name

I'm praying to a God, a God I don't

Don't believe

The more I hide my scars, the

Easier I bleed

But maybe I'm the worst, the

Worst you ?ver had

Tell you you're b?autiful, then

Stab you in the back

You're prayin' I'm the one, but

Maybe I'm a curse

The more you try to fix me

The more you make it worse

Could you love me at my worst?

Could you love me even though

That, that it hurts?

Could you love me, could you love me?

Could you love me at my worst?

(Em D A C)

Yeah, don't try to call

Do not disturb, I do not want to

Speak

This is the end, demons are

Friends, angels are enemies

I'm just a fool, stuck in the

Past, your worst memories

I'm not ready for you to forget me

I know that I'm the best

Mistake you ever made

It sounds so fucking beautiful

When you say my name

I'm praying to a God, a God I don't believe

I showed you all my scars

That I let nobody see

But maybe I'm the worst, the

Worst you ?ver had

Tell you you're b?autiful, then

Stab you in the back

You're prayin' I'm the one, but

Maybe I'm a curse

The more you try to fix me

The more you make it worse

Could you love me at my worst?

Could you love me even though

That, that it hurts?

Could you love me, could you love me?

Could you love me at my worst?

Em D This is the end, this is

The end

This is the end of me

Em D This is the end, this is

The end

This is the end of me

But maybe I'm the worst, the

Worst you ?ver had

Tell you you're b?autiful, then

Stab you in the back

You're prayin' I'm the one, but

Maybe I'm a curse

The more you try to fix me

The more you make it worse

Could you love me at my worst?

Could you love me even though

That, that it hurts?

Could you love me, could you

G

Love me?
 Could you love me at my worst?
 But maybe I'm the worst, the
 Worst you ever had
 Tell you you're beautiful, then

Maybe I'm a curse
 The more you try to fix me
 The more you make it worse
 Could you love me at my worst?

 This is the end of me
