

Blackberry Smoke - Freedom Song

Tom: F

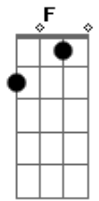

Intro: D A G D C Bb C

D
 That man in the mirror, staring back at me
G D
 Ain't the man I used to see
C Bb D
 I've been walking the line a long time, need a change
D A
 Breaking my back, working double shifts
G D
 The weight of the world's getting hard to lift
C Bb D
 I'm starting to think I need to break a link in this chain
C Bb
 Something's got to give
Bb C
 This ain't no way to live

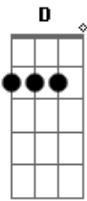

D C
 Put me on a highway, the interstate
G D
 A dirt road to anyplace
F G
 Long as I'm long gone
D C
 Chasing down some blue sky in my old truck
G D
 Tune the world out, turn the radio up

F G D
 Sing along to my freedom song
D A
 Hey, I got a good woman and she understands
G D
 Every now and then, her old man needs some downtime
C Bb D
 To clear his mind and unplug
D A
 This time, tomorrow, you won't see my face
G D
 There'll be one less rat running in this race
C Bb D
 I'll be soothing my soul with a fishing pole
Bb C
 That's what I love
D C
 Put me on a highway, the interstate
G D
 A dirt road to anyplace
F G
 Long as I'm long gone
D C
 Chasing down some blue sky in my old truck
G D
 Tune the world out, turn the radio up
F G D
 Sing along to my freedom song
