

# Blackberry Smoke - Old Shoes (And Picture Postcards)

Tom: G  
Intro: G C G D G D

[Verse 1]

I'm singing this song its time it was sung  
I been putting it off for a while  
But its harder by now cause the truth is so clear  
that I cry when I'm seeing you smile

[Chorus]

So goodbye so long the road calls me dear  
And your tears cannot bind me anymore  
And farewell to the girl with the sun in her eyes  
And I kiss you and then I'll be gone

[Verse 2]

Everytime that I try to tell you that we've  
lost the magic that we had at the start  
I would weep my heart when I look in your eyes  
And I search once again for the spark

[Chorus]

So goodbye so long the road calls me dear  
And your tears cannot bind me anymore

And farewell to the girl with the sun in her eyes  
And I kiss you and then I'll be gone

[Verse 3]

I can see by your eyes its time now to go  
so I'll leave you to cry in the rain  
though I held in my hand the key to all joy  
but honey my heart was not born to be tamed

[Chorus]

So goodbye so long the road calls me dear  
And your tears cannot bind me anymore  
And farewell to the girl with the sun in her eyes  
And I kiss you and then I'll be gone

So goodbye so long the road calls me dear  
And your tears cannot bind me anymore  
And farewell to the girl with the sun in her eyes  
And I kiss you and then I'll be gone

[Outro]

And I kiss you and then I'll be gone  
And I kiss you and then I'll be gone

## Acordes
