

Blackberry Smoke - One Horse Town

Tom: C

In the tiny town where I come from
 You grew up doing what your daddy does
 And you don't ask questions you do it just because
 You don't climb to high or dream too much
 With a whole lot of work and a little bit of luck
 You can wind up right back where your daddy was

Refrão:

This little bitty town it ain't nothing new
 We all stick around 'cause they all tell us too
 Swallow your pride just to make your family proud
 If I didn't think that it would shut the whole place down
 I'd ride my pony right out of this one horse town
 Yeah this one horse town

I'm an old married man at the age of 23
 Got 2 little boys on the baseball team

And that might be their only ticket out
 All they got is a worn out name
 And a daddy that could've gone all the way
 But I hang my saddle up and I settled down

Refrão:

This little bitty town, ohh it ain't nothing new
 We all stick around 'cause they all tell us too
 Swallow your pride just to make your family proud
 If I didn't think that it would shut the whole place down
 I'd ride my pony right out of this one horse town
 Yeah this one horse town ...oh yeah...

This little bitty town, ohh it ain't nothing new
 We all stick around 'cause they all tell us too
 Swallow your pride just to make your family proud
 If I didn't think that it would shut the whole place down
 I'd saddle that one horse and ride it right out of this town... woh woh...
