

Blackberry Smoke - Prayer For The Little Man

Tom: D

Intro

(Intro) x2

D
Callin' home, hold the phone, like a lifeline
Bb let the voices fill me up like a drunkard's wine
G
another fix I'm fine
D
hang it up, kill the light, and just lay there
Bb think about that girl we had it all I swear

Em Yea we, thought it'd last forever
Em then we finalized
Em but no matter where I am
Em every night when I close my eyes

[Refrão]

D Say a prayer for the little man
C cause he's gonna need a helpin' hand

G now and then and I won't be around
C can you just let me know there's an angel lookin' down
D say a prayer for a mother's love
C yea I hope that it'll be enough
Bm cause I know that it's tough and he don't understand
Bb say a prayer for the little man
C **D**

D I remember my daddy's phone calls
Bb just a kid I'd always talk to him out in the hall
G to keep from settin' mama off
D so I've been right in your shoes son
Bb never thought in a million years
F I'd ever be the one who

Em Thought it'd last forever
Em then we finalized
Em But every night when I close my eyes
