

Blackberry Smoke - Prayer For The Little Man

Tom: **D**
Intro:

(Intro) x2

D
Callin' home, hold the phone, like a lifeline
Bb **F**
let the voices fill me up like a drunkard's wine
G
another fix I'm fine
D
hang it up, kill the light, and just lay there
Bb **F**
think about that girl we had it all I swear

Em7 **A**
Yea we, thought it'd last forever
Em7 **A**
then we finalized
Em7 **A**
but no matter where I am
Em7 **A**
every night when I close my eyes

[Refrão]

D
Say a prayer for the little man
C
cause he's gonna need a helpin' hand
G

now and then and I won't be around
C
can you just let me know there's an angel lookin' down
D
say a prayer for a mother's love
C
yea I hope that it'll be enough
Bm **G**
cause I know that it's tough and he don't understand
G **C** **D**
say a prayer for the little man

D
I remember my daddy's phone calls
Bb **F**
just a kid I'd always talk to him out in the hall
G
to keep from settin' mama off
D
so I've been right in your shoes son
Bb
never thought in a million years
F
I'd ever be the one who

Em7 **A**
Thought it'd last forever
Em7 **A**
then we finalized
Em7 **A**
But every night when I close my eyes
