Hey pretty baby come spend a little time with me

Hey pretty baby come spend a little time with me

Hey pretty baby come spend a little time

I ain't got but one thing in mind

Come here baby do what comes naturally

Come on in mama you don't need no key

Come on in mama you don't need no key

Come on in babe the door ain't locked

I got the shade pulled down got your drink on the rocks

Come in honey do what comes naturally

Hey hey hey hey

I said hey, hey, hey, hey

Took my dollar and gave me back a dime

Took my dollar and she gave me back a dime

Took my dollar gave me a dime I got

Ten percent and a mighty good time

Come here honey do what comes naturally

Hey hey hey hey

I said hey, hey, hey, hey

Hey pretty baby you're my little queen bee

Hey pretty baby now you're my little queen bee

Hey pretty baby you're my queen bee

Come and rub your honey all over me

Come on baby do what comes naturally

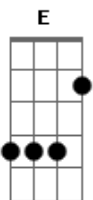

Hey hey hey, hey

I said hey, hey, hey, hey

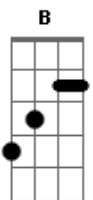

Hey, hey, hey, hey

I said hey, hey, hey, hey
