

Blackfield - Falling

Blackfield - Falling

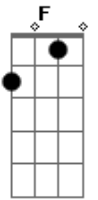

Cold hands that grip
 And how the seconds slip
 As grass grows
 And time slows
 Words that fall too hard
 I know that past will always
 Find me
 And blind me
 Now I'm falling down again
 Diving through the dark again
 Will I ever land
 And walk upon the ground again?
 I don't believe the truth
 I don't believe that you will
 Catch me
 Save me
 A promise that I made
 Long ago betrayed
