Blackfield - Perfect World

Tom: C

```
---------------------------------------
VERSE 1

Em
   Here on the other side
Gm
   You've found a place to hide
F                        Eb
   So wave goodbye to your wasted life

---------------------------------------
VERSE 2

Em
   You never seem to care
Gm
   If God can hear your prayers
F                        Eb
   There's no sign of angels in the air

---------------------------------------
CHORUS

      Em
So light my way
            Bm
And wish me sunny days
   D                    Am
A wish will be reborn to a perfect world
     Em
So dry your tears
            Bm
And tear up all your fears
   D                    Am
A wish will be reborn to a perfect world

---------------------------------------
```
```
VERSE 3

Em
   You always plead for time
Gm
   To say what's on your mind
F
   You're always scared
                Eb
But making out you're fine

---------------------------------------
VERSE 4

Em
   You leave no one to cry
Gm
   On the day you die
F                              Eb
   They hate you more than you hate to be alive

---------------------------------------
CHORUS

---------------------------------------
02:13
1st SLIDE SOLO - Em Bm D Am X2

                                  s s

                                  s s

---------------------------------------
CHORUS
---------------------------------------
03:12
2nd SLIDE SOLO

                                  s s
```
