

Blackmore's Night - Avalon

tom:
 Capotraste na 1ª casa
 Gb (forma dos acordes no tom de F)
 To the days of Avalon Where magic rules as king
 The moon beneath the castle walls As the nightingale sings
 The golden bird He gave to me What happiness he brings
 Like a star on a Christmas tree As the nightingale sings
 And so we sat, hand in hand and watched the fireflies
 And never spoke a single word But lived to do or die
 We lived to do or die
 Back to the days of Avalon Where magic ruled as king
 The moon beneath the castle walls As the nightingale sings
 And so we sat, hand in hand and watched the fireflies
 And never spoke a single word But lived to do or die

We lived to do or die

We read of tales of treason A soldiers legacy
 Blood beneath the crimson sky
 Fighting without reason But the crime of loyalty
 A tattered flag left to fly

Back to the days of Avalon Where magic rules as king
 The moon beneath the castle walls As the nightingale sings
 The branches bent Like an archers bow As he spread his wings
 And flew beneath the gentle snow As the nightingale sings
 Back to the days of Avalon Where magic rules as king
 The moon beneath the castle walls As the nightingale sings
 As the nightingale sings
