

# Blackpink - The Happiest Girl

tom:

Intro: Am G  
[Primeira Parte]

Am  
Don't hold my hand  
Don't beg me back  
Don't say that we'll make it through this

C  
If I'm so beautiful, then why?

Am  
The doors we slammed  
The plates we smashed

C  
Echo with the sound of madness  
I can't remember why we tried

[Pré-Refrão]

Am G  
My heart only wants you  
The moment you say no

[Refrão]

Am G C  
But tonight, I'll be the happiest girl in the world  
You'll see like it doesn't matter  
Tonight, I'll be the happiest girl in the world  
You'll see like it never happened

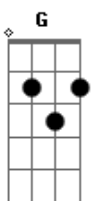

[Pré-Refrão]

Am  
I can stop the tears if I want to  
I can stop the tears if I want to  
I can stop the tears if I want to  
But tonight, I'll be the happiest girl in the world  
You'll see like it never happened

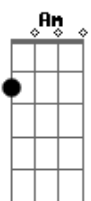

[Segunda Parte]

Am  
Don't make us saints  
We're wards of pain  
The past and the perfect picture  
There's no one else to blame this time  
Am  
Don't change the truth
