Tom: D

Intro: D A Bm G A Bm

**D**  
Somewhere along the way we gotta draw the line  
**G**  
We gotta take a stand, a stand for what is right  
**D** **A** **Bm**  
If we all come together we could make a better life  
**G** **A**  
Woah, oh, oh

**D**  
We are the chosen ones  
**Bm**  
We all share the same sun  
**Bm**  
We all want to love and be loved  
**G**  
We bled the same blood  
**D**  
We are the ones who change  
**Em**

We all have what it takes  
**Bm**  
We all want to love and be loved  
**G**  
We bled the same blood  
**D**  
There's no draw in a war  
**A** **Bm**  
No winner in a fight  
**G** **A** **Bm**  
Together we are more when we all unite  
**D** **A** **Bm**  
So grab a hold of someone, start walkin to the light  
**G** **A**  
Woah, oh, oh

**D**  
Spread the love  
**Em**  
Let hearts collide  
**Bm** **G**  
Till all that's left is no divide
