

Blanks - Guy Love

Tom: A

m
 Let's face the facts about me and you
 A love unspecified
 Though I'm proud to call you ?Chocolate Bear?
 The crowd will always talk and stare
 I feel exactly those feelings, too
 And that's why I keep them inside
 Cause this bear can't bear the world's disdain
 And sometimes it's easier to hide
 Than explain our
 Guy love
 That's all it is
 Guy love
 He's mine, I'm his
 There's nothing gay about it in our eyes
 You ask me ?bout this thing we share
 And he tenderly replies
 It's guy love
 Between two guys
 We're closer than the average man and wife
 That's why our matching bracelets say ?Turk and JD?

You know I'll stick by you for the rest of my life
 You're the only man who's ever been inside of meee!
 --Whoa, whoa, I just took out his appendix!
 There's no need to clarify
 Oh no?
 Just let it grow more and more each day
 It's like I married my best friend
 But in a totally manly way
 Let's go!
 It's guy love
 Don't compromise
 The feelings of some other guy
 Holding up your heart in to the sky
 I'll be there to care through all the lows
 I'll be there to share the highs
 It's guy love
 Between two guys
 And when I say, ?I love you, Turk?
 It's not what it implies
 It's guy love
 Between, Two
 Guys
