

Blind Melon - Dear Ol' Dad

Tom: D

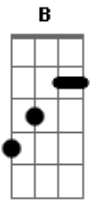

B
 Come now and listen babe
 D A
 I gotta reason why I behave
 B
 Like a child with a light in eyes
 D E Gb
 Running naked on a cold winter night
 B
 Like a pigeon that's spreadin' his wings
 D A
 to fly away to better things
 B
 Like a hammer that has made a dent
 D E Gbm G
 in every little single cent you've spent
 B
 Said oh God you've got to help me a little bit
 B
 you've got to have a relief file for me
 B
 Now I know I'm always right, that's a

D A
 thought that never even crossed my mind
 B
 Don't touch me there I've gotta be pure
 D E Gbm
 So smack that hand, and read this verse
 B D A
 So I wrecked your life, what the heck
 B D E Gb Bm G
 My new found faith will pay by check
 E G Bm G A
 This life's took a toll on my soul
 Bm G E G Bm
 Oh yeah this life's took a toll on my soul
 G A Bm G E G Bm G A Bm G E G Bm G A G
 So this is me and that's my song
 And I guess that you can see that we don't get along
 I've shut the doors on what we had
 so now she can sleep with her Dear ol' Dad
 my eyes are dry and my hands are clean
 and I can't believe all the things I've seen
 -Chorus-
 Oh My God!!
