Tom: **G**  
Intro: **G B C G**

**G**  
I've got to buy some shoes these ones are getting loose  
my feet are shrinking in the sun, and it ain't fun  
But it looks like rain up ahead **C B F G** in forty miles.  
A big rainbow took the blue sky **C D**  
I'm gonna **G** tell my momma, I love her so  
**F G F G** thank you for giving me these bones of gold  
Yeah, jump in the ri----ver and let the **F G**

water soak the sin in my soul (Repeat with 2nd verse)

(Second Verse)  
Fine time we all crossed lines  
make the music that makes us feel fine  
Rednecks on sun decks hearing a hillside Romeo say  
"Boy's this is the good shit, so come on all and eat a little bit."  
And if I ever go back home, I'm gonna set. (chorus)

Don't even say a word, it con **F G F** fuses me.  
Whatever he says to do, is that we don't have to.  
**G F G G** I said we don't have to.
