

Blind Melon - St Andrews Fall

Tabbed by DSM

I frequent this site often, and have noticed that a lot of great songs are not yet posted. If anyone out there knows ?Mother? a.k.a. ?Mother Earth,? or an accurate version of ?Soul One,? please post them. There?s some interesting lead riffs in this song that I didn?t take the time to include. This is just Shannon?s acoustic part (sounds good with one guitar). Anyway, I hope you all enjoy this tab?listen to the album for exact strum, timing, etc?
