Are you fed up, Are you fed up with me?
Do you think you could do better?
Five fed up faces with the itch to kill a king
Blood red sunshine, and a breath to air that's clean
I drink from the faucet
From the porch I take a pee
I look at you through the bushes
C
Where you can't see me
(Same part as)
I laugh and slip into another state of mind
To let you know that I am real
And all the worries you build up inside your soul
The ones that make your world stand still
Means you can feel, that it's time to go
