 Are you fed up, Are you fed up with me?
 Do you think you could do better?
 Five fed up faces with the itch to kill a king
 Blood red sunshine, and a breath to air that's clean
 I drink from the faucet
 From the porch I take a pee
 I look at you through the bushes
 C
 Where you can't see me
 (Same part as)
 I laugh and slip into another state of mind
 To let you know that I am real
 And all the worries you build up inside your soul
 The ones that make your world stand still
 Means you can feel, that it's time to go
