Take my hand once again
Am G Famj7 Em
We will all understand
Am G F7M Em
Help you find a new plan

F7M
Whoooooa

It's time to help you
F7M Em
Get you back on your feet and on your way
F7M Em
If the tables were turned around
F7M
I know you'd be there for me

It all works out

Am G F7M Em
Don't get lost and forget
Am G F7M Em
Turn the lights of unrest
Am G F7M Em
Don't you worry no more
Am G F7M Em
Kill your pain and your sores
Am G F7M Em
We'll be there when you wait
Am G F7M Em
No more sweat for the shades
Am G F7M Em
Feel the love if you can

Am G F7M Em
Lost your mind, feel insane
F7M
Whoooooa

You're feeling hopeless
F7M Em
And all your dreams have gone away
F7M Em
Take the time to heal your sorrows
F7M
And disappear from the world

Live for tomorrow
(solo) Am G F7M Em

Am G F7M Em

It's time to help you

Am G F7M Em
That it all works out
