Bring down the world
I hold the map, you start a fire
We'll meet where the sun burns
Tell me what you're sorry for
Heartbreak, if you can break it
Right now, suddenly again
Heartbreak, if you can take it
Come back, suddenly comes home, home
C
Tomorrow we kiss
Am
Tomorrow we'll go
F C
We fit in this slow time love, video game
Am
Running around
F G C
Waiting for a slow time love again
