

Blink 182 - Asthenia

Tom: **D**
Intro: Guitar uses a flanger effect

Verse

Last night it came as a picture
With a good reason, a warning sign
This place is void of all passion
If you can imagine it's easy if you try
Believe me I failed this effort
I wrote a reminder this wasn't a vision
This time where are you Houston
Is somebody out there will somebody listen

Interlude (repeat Twice)

Chorus

Should I go back should I go back should I
I feel alone and tired
Should I go back should I go back should I
I hope I won't forget you

Interlude

Verse

My head is made up of memories
Most of them useless delusions
This room is bored of rehearsal
And sick of the boundaries

I miss you so much

Chorus

Should I go back should I go back should I
I feel alone and tired
Should I go back should I go back should I
I hope I won't forget you
