Tom: C

Tragedy ^{Am}
 Erase my memory ^F
 And now all I see ^C
 Is this black rain ^{G E}
 Oh tragedy ^{Am}
 You took my everything ^F
 Oh now all I feel ^C
 All I feel is pain ^{G E}
 Oh how can I go on? ^{Am}
 Knowing that I lost you ^{Am}
 Where did I go wrong? ^F
 Where did you run off to? ^F
 Lost down here broken and alone ^{C G}

[Primeira Parte]

^{Am} I went and searched for some answers
^{Am} But all I found were monsters
^{Am} They're under my bed
^{Am} They're hunting us down ^{Em}
 That's been said
 But this time it's been severed ^F

[Segunda Parte]

^{Am} Now I follow your footsteps
^{Am} Through the ashes you once crept
^{Am} I feel so hollow now
 I'm dropped on this island ^{Em}
 This island of regret ^F

[Refrão]

[Quarta Parte]

^{Am} And all I have here is heartache
