

# Blink 182 - Bored To Death

Tom: C

Intro = Riff 01

[Verso 1] = Riff 01

There's an echo pulling out the meaning  
Rescuing a nightmare from a dream  
The voices in my head are always screaming  
That none of this means anything to me

[Pré-Refrão] = Riff 02

And it's a long way back from seventeen  
The whispers turn into a scream  
And I'm not coming home

[Refrão]

C Save your breathe, I'm nearly  
G Bored to death and fading fast A  
F Life is too short to last long  
C Back on earth I'm broken  
G Lost and cold and fading fast A  
F Life is too short to last long

[Verso 2] = Riff 01

There's a stranger staring at the ceiling  
Rescuing a tiger from a tree  
The pictures in her head are always dreaming  
Each of them means everything to me

[Pré-Refrão] = Riff 02

And it's a long way back from seventeen  
The whispers turn into a scream  
And I'm not coming home

[Refrão]

C Save your breathe, I'm nearly

I think I met her at the minute that the rhythm was set down  
I said I'm sorry I'm a bit of a let down  
But all my friends are daring me to come over  
So I come over and over and over

So let me buy you a drink  
And we'll pretend that you think  
That I'm the man of your dreams  
Come to life in a dive bar  
And we'll go over and over and over  
And we'll go over and over and over  
And we'll go over and over and over  
And we'll go over and over and over
