

Blink 182 - Boxing Day

Tom: G

G D Em7 C
 Let's get started, the faint and brokenhearted
 G D Em7 C
 Hold it up! I've got something I cannot hide.
 G D Em7 C
 The worst painkiller, that all them filler,
 G D Em7 C
 apart and the part, look in my eyes.

G D Em7 C
 Sad, how far you ran, I'll search this land,
 C
 Up through the clouds then back here.
 G D Em7 C
 We could reignite like fireflies, like an atom bomb,
 And all I was?

G C
 I'm empty like the day after Christmas,
 Em7 C
 Swept beneath the wave of your goodbye.
 G C
 You left me on the day after Christmas,
 Em7 C
 There's nothing left to say, and so goodnight.

G D Em7 C
 I will follow the trail to tomorrow,
 G D Em7 C
 With my loneliness with sorrow all through the night.
 G D Em7 C
 Sons and daughters, mothers and their fathers.
 G D Em7 C

Just the bridges and the waters their clues left behind.

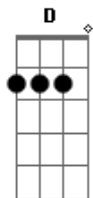

G D Em7 C
 Sad, how far you ran, I'll search this land,
 C
 Up through the clouds then back here.
 G D Em7 C
 We could reignite like fireflies, like an atom bomb,
 And all I was?

G C
 I'm empty like the day after Christmas,
 Em7 C
 Swept beneath the wave of your goodbye.
 G C
 You left me on the day after Christmas,
 Em7 C
 There's nothing left to say, and so goodnight.
 G C
 I'm empty like the day after Christmas,
 Em7 C
 Swept beneath the wave of your goodbye.
 G C
 You left me on the day after Christmas,
 Em7 C
 There's nothing left to say, and so goodnight.
