

Blink 182 - Boxing Day

Tom: G

^{G D Em C}
 Let's get started, the faint and brokenhearted
^{G D Em C}
 Hold it up! I've got something I cannot hide.
^{G D Em C}
 The worst painkiller, that all them filler,
^{G D Em C}
 apart and the part, look in my eyes.

^{G D Em}
 Sad, how far you ran, I'll search this land,
^C
 Up through the clouds then back here.
^{G D Em C}
 We could reignite like fireflies, like an atom bomb,
 And all I was?

^{G C}
 I'm empty like the day after Christmas,
^{Em C}
 Swept beneath the wave of your goodbye.
^{G C}
 You left me on the day after Christmas,
^{Em C}
 There's nothing left to say, and so goodnight.

^{G D Em C}
 I will follow the trail to tomorrow,
^{G D Em C}
 With my loneliness with sorrow all through the night.
^{G D Em C}
 Sons and daughters, mothers and their fathers.
^{G D Em C}

Just the bridges and the waters their clues left behind.

^{G D Em}
 Sad, how far you ran, I'll search this land,
^C
 Up through the clouds then back here.
^{G D Em C}
 We could reignite like fireflies, like an atom bomb,
 And all I was?

^{G C}
 I'm empty like the day after Christmas,
^{Em C}
 Swept beneath the wave of your goodbye.
^{G C}
 You left me on the day after Christmas,
^{Em C}
 There's nothing left to say, and so goodnight.

^{G C}
 I'm empty like the day after Christmas,
^{Em C}
 Swept beneath the wave of your goodbye.
^{G C}
 You left me on the day after Christmas,
^{Em C}
 There's nothing left to say, and so goodnight.
^G
