Letra:

I talk to you every now and then
 I never felt so alone again
 I stop to think at a wishing well
 My thoughts send me on a Carousel

Here I am standing on my own
 Not a motion from the telephone
 I know not a reason why
 Solitude's a reason to die

Just you wait and see
 A school life is a
 It is a woken dream

I guess its just another
 I guess its just another
 I guess its just another night alone

Now as I walk down the street
 I need a job just to sleep in sheets
 Buying food every once in a while
 But not enough to purchase a smile
 A tank of gas is a treasure to me
 I know now that nothing is free
 I talk to you every now and then
 I never felt so alone again

Just you wait and see
 As school life is a
 It is a woken dream

I guess its just another
 I guess its just another
 I guess its just another night alone
